### **DETAILED ACTION**

1. The responses filed February 21, 2003, August 21, 2003 and December 1, 2003 have been received, and the amendments filed December 1, 2003 have been entered. It is noted that due to the indication of allowability of claim 1, the restriction requirement has been withdrawn and claim 10 has been rejoined.

#### ***Information Disclosure Statement***

2. The information disclosure statements filed on February 21, 2003 (paper no. 9) and October 14, 2003 (paper no.13) have been received and the references listed thereon have been considered.

#### ***Claim Objections***

3. Claims 1-5 and 9-15 are objected to because of the following informalities:

In claim 1, line 4, the comma “,” after “table” renders the claim unclear, and it is suggested to delete the comma “,” for clarity; in line 5, --and-- should be inserted before “defining” for clarity; in line 24, “transverse, direction” is unclear, and it seems that it should be changed to --transverse direction along said table gap, -- or the like for clarity.

Appropriate correction is required.

#### ***Allowable Subject Matter***

4. Claims 1-5 and 9-15 are allowable over the prior art of record.

***Conclusion***

5. This application is in condition for allowance except for the formal matters described above. Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
